Our Strategy

- To persevere, educate and establish new methods and techniques in enhancing knowledge.
- To hone the soft skills and inculcate a positive attitude in our students.
- To tap their hidden potential and encourage them to believe in themselves.
- To lead the way, be the light and guide them to accept the change and challenges in life.
- To offer equal opportunities to all so that they harness their fullest potential.

Why choose ISC after 10th?

- ISC board is student friendly and offers more subjects of pupils' interests. It also provides vocational options.
- It emphasizes on fluency in English which results in ISC students being more articulate in English than the students of other boards.
- It's not text book oriented and has a holistic approach.
- It focuses on project and practical work. They have a structured plan aiming to build active problem solvers.
- In-depth knowledge of all the subjects provide a better grip on the subject and the language.
- Most of the institutes of higher education all over the world, accept ISC as an official educational qualification.
- ISC is more flexible in approach than the other boards, it goes beyond the traditional assimilation of knowledge.
- Assessment emphasizes on understanding, skill development, knowledge and its application.
- The syllabus is at par with the common entrance examinations.
- It aims at creating homely atmosphere especially during examination and helps students to manage their time effectively.

Statistics speak for us

Our results

It has been observed that comparatively the performance of students in the 12th Grade is much better than the 10th Grade.
