At Sapling, happiness, confidence and excellent personal achievement are our priorities. We know that our nurturing environment gives every single child the confidence to strive for the best. Our creative curriculum inspires learning and our small classes ensure academic success.

Your child's journey with us...

From your child's very first day with us to the day they leave, they will be on a journey of discovery, exploration and enquiry, a journey which equips them with the skills and knowledge essential for living in the 21st Century.

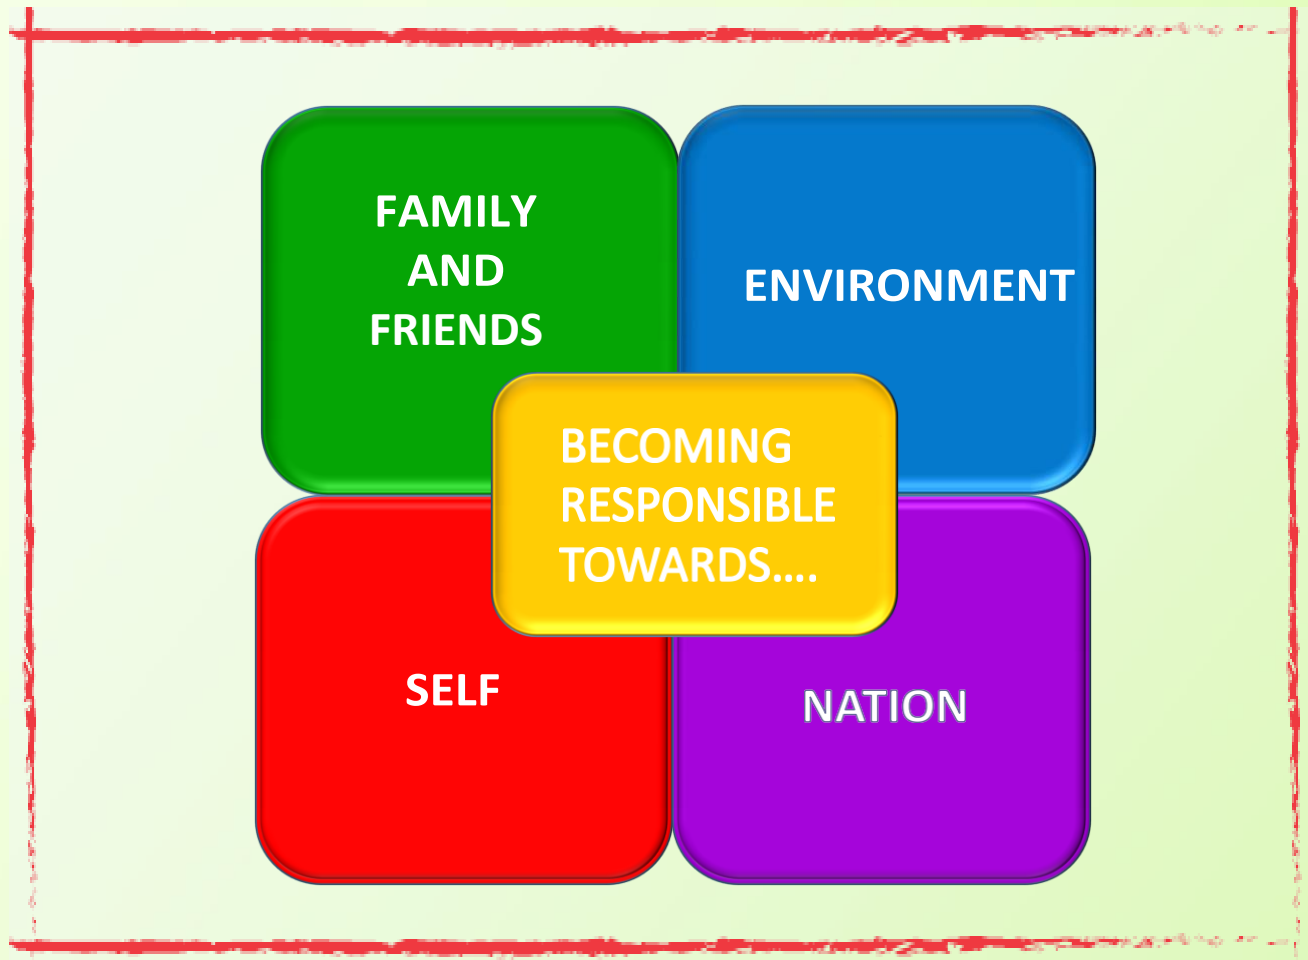

A Good start.....

Sapling develops happy, confident and well-rounded children, giving them the best possible start for life.

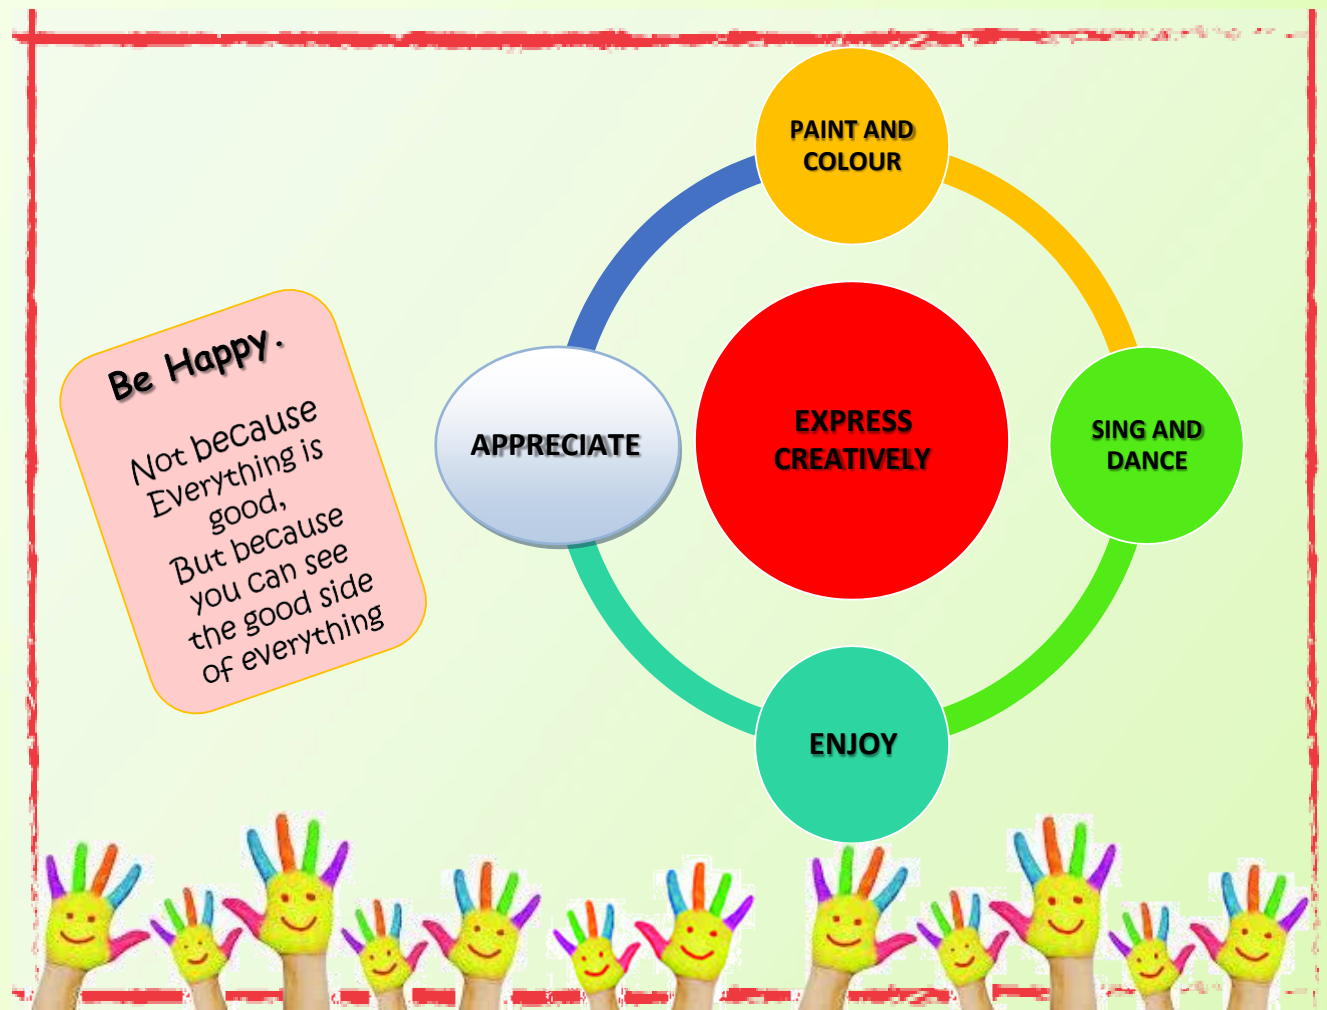

Experiences that last a lifetime

Children at sapling are encouraged to participate, to develop a can-do attitude; they aim high, challenge themselves and they achieve.

Creative Expression.....

Creative activities play an important role in life at Sapling. Children participate in everyday activities and avail of the ample opportunities to develop and showcase their talent.

Who will help your child ?

A love for learning...

Sapling is a place to discover, share and explore; a place to enjoy; a place for surprise and above all, a place where children love to learn.

Unique talents are nurtured through our varied and exciting curriculum, whilst our stimulating and inspiring learning environment develops children's passion and strengths.
